

**PAINT RIVER LLEWELLINS  
DEPOSIT CONTRACT**

I, \_\_\_\_\_, (herein referred to as the buyer) understand that my \$600 deposit is nonrefundable. The only exception is in the event PRL does not have a puppy from the agreed upon specified breeding female(s) of the reserved gender discussed and agreed to. I have read the PRL sales contract and understand the terms of sale.

Please list which breeding female(s) your deposit is being placed with: \_\_\_\_\_

Please circle the gender that you are reserving:     male     or     female

The remaining balance for the puppy purchase of \$1200 (up to 12 weeks of age price) is due when your puppy turns two weeks of age. The buyer understands if this balance is not paid by two weeks of age then deposit and puppy are forfeited.

PRL Vimeo On Demand series is required to be purchased as part of every PRL puppy sale. The current annual membership is \$299. This can be purchased any time prior to the buyer's PRL puppy pick up date. Proof of purchased is required by signing up for updates through Vimeo once the buyer has become a member with PRL on Vimeo.

PRL strongly recommends that puppies are picked up on-site or other driving arrangements made perhaps with other littermate buyers. If the puppy needs to be shipped by air and not picked up at PRL then the total shipping expenses of \$550 will be due when the puppy turns five weeks of age. Prior to sending in your deposit and this contract please discuss general pick up arrangements with PRL.
