

**PAINT RIVER SETTERS
DEPOSIT CONTRACT**

I, _____, (herein referred to as the buyer) understand that my \$500 deposit is nonrefundable. The only exceptions are in the event PRS does not have a puppy from the agreed upon specified breeding female(s) of the reserved gender discussed and agreed to or in the event PRS needs to raise the purchase price after deposit has been given. Standby depositors only get a refund at the conclusion of that breeding if we have not been able to provide a puppy for your that year as promised. I have read the PRS sales contract and understand the terms of sale.

Please list which breeding female(s) your deposit is being placed with. Write "standby" if this was not discussed or unknown at the time of deposit: _____

Please circle the gender that you are reserving: male or female

The remaining balance \$1500 for the puppy cash purchase (up to 8 weeks of age price) is due at the time of pick up. Buyers making deposits on Name', Ina'amii, Missy and Duca sired litters will owe the specified amount based on the price set at the time of deposit. Please write that balance amount owed next to litter who you have a deposit for.

The buyer understands no puppy leaves PRS without paid in full and deposit is forfeited at the time of pick up.

PRS Vimeo On Demand series is required to be purchased as part of every PRS puppy sale. The current one year rent all required option is \$499. This purchase will be made by the buyer at the time their PRS puppy is 3-4 weeks of age. Proof of purchase is required by signing up for updates through Vimeo once the buyer has become a member with PRS on Vimeo and emailing PRS a photo copy of their subscription receipt.

PRS requires that puppies are picked up on-site. Fly for in cabin pick up, drive or caravan to pick up your puppy. Prior to sending in your deposit and this contract please discuss general pick up arrangements with PRS by phone.

Deposit payment is made by check payable to **Kyle Warren Dogs, Inc.** for \$500

Buyer has read over and accepts all terms of the sales contract, health guarantee, and if applicable, breeding rights contract if discussed at the time of deposit. Initial here if breeding right contract was planned in your pup's future if it meets the PRS standard of excellence. ____
