DEPOSIT CONTRACT**

I, _____, (herein referred to as the buyer) understand that my \$500 deposit is nonrefundable. The only exception is in the event PRS needs to raise the purchase price after deposit has been given. Buyer understands that in the event there is no puppy from planned litter that worst case scenario if no pup is available from other litters that year then we may have to roll deposit to the next calendar year. Cash puppy purchase price of \$1500 is due at the time of pick up at 8 weeks of age.

Please list which breeding female(s) your deposit is being placed with. Write "standby" if this was not discussed or litter is unknown at the time of deposit:

Breeding female name: _____ Balance owed after deposit: _____

Please circle the gender that you are reserving: male or female

NOTE: Buyers making deposits on Name', Ina'amii, Missy and Duca sired litters will owe the specified amount based on the price set at the time of deposit. Please write that balance amount owed next to breeding female who you have a deposit for.

The buyer understands no puppy leaves PRS without paid in full and deposit is forfeited at the time of pick up.

PRS Vimeo On Demand series is required to be purchased as part of every PRS puppy sale. The one year RENT ALL required option cost \$499. This purchase is in addition to the puppy purchase price. This purchase will be made by the buyer at the time their PRS puppy is 2 weeks of age. Do NOT purchase until pup is 2 weeks of age. We want to make sure you have a puppy alive and well first. There will be no refunds on video purchases if you do not have a pup available and you already purchased video series.
